

Sublime is the perfect choice for your wedding hair & make up.

The award winning team at sublime are friendly, highly skilled and professional. We are dedicated to providing the best possible service with exceptional results. We know every wedding is different and should be exactly how you've dreamt it to be, we also understand the important role we play in your day. We therefore work hand in hand with our brides to create individual packages to ensure everything is perfect. Our deluxe wedding packages take care of all your needs including hair & make up trials, lipstick & powder (for touch ups) plus a light champagne brunch or lunch for all of your party.

We also have exclusive pre wedding pampering and preparation

Say Cheese Photography

packages including massages, facials, waxing, cut & colour, body treatments, manicures & pedicures.

Full wedding pack available on request
